FACILITY RENTALS

Martha Lou Henley Rehearsal Hall

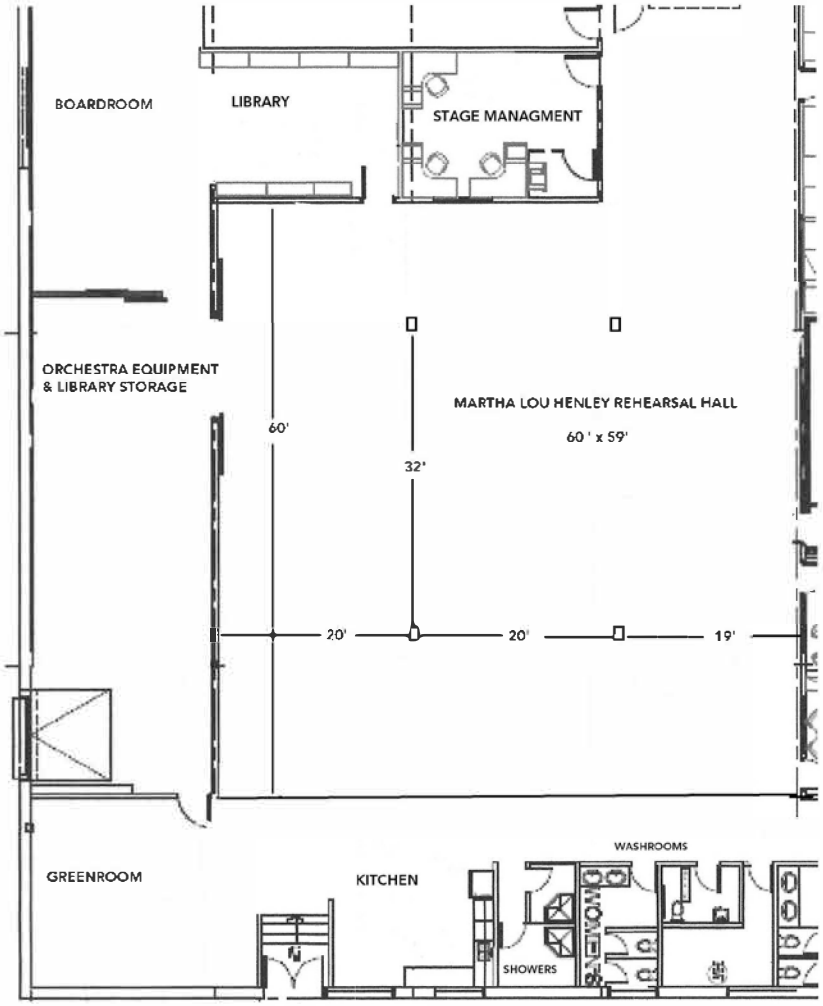

Newly renovated rehearsal hall available now for rental!

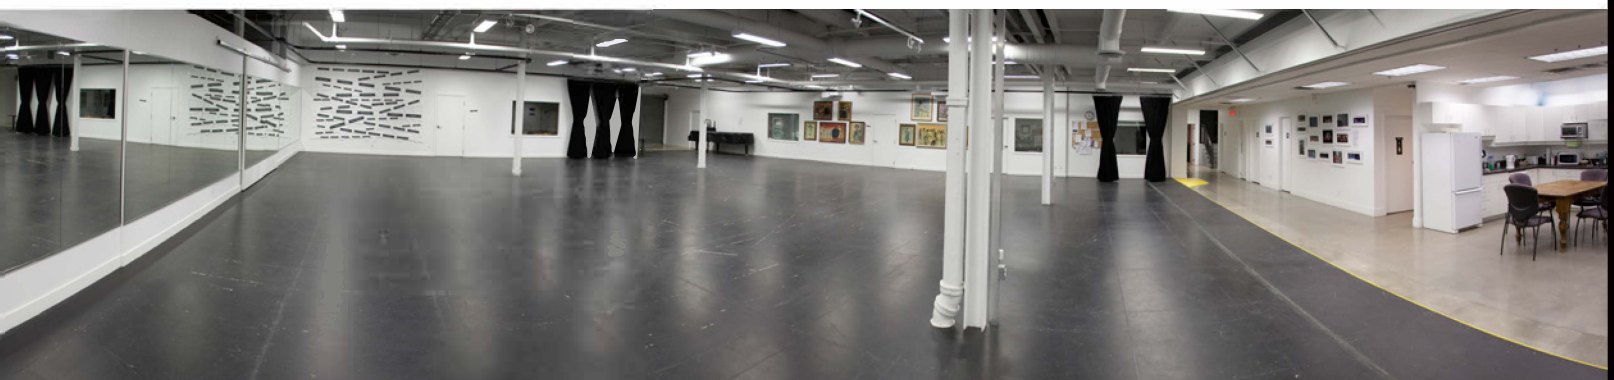

Vancouver Opera moved into the Michael and Inna O'Brian Centre for Vancouver Opera in July 2011. 2011 -2012, our first full season in our new home, we rehearsed all four mainstage productions *(West Side Story, Romeo & Juliette, The Barber of Seville and Aida*) as well as our Vancouver Opera In Schools (VOIS) production of *Hansel & Gretel.* All rehearsals, including full orchestra readings, were held with great success. Last summer we completed a $300.000.00 renovation to improve acoustics, add two coaching rooms and sound isolate the boardroom/library. We are currently upgrading the building to be fully wheelchair accessible.

We have a very flexible space suitable for all types of dance, theatre & music rehearsals
AND Corporate meetings and presentations.
